In re: JENNIE MONDSHEIN OR MOONSHINE, 48.

This case comes before the Board of Review on warrant proceedings.

No hearing.

This alien was insane prior to entry and is now apparently mentally abnormal. She has a husband and children in Canada in which country she has lived for many years though she claims to have been born in Russia.

It is recommended that the alien be deported to Canada on the grounds that he was likely to become a public charge and has had one or more attacks of insanity prior to entry.

IMMIGRANT INSPECTOR.

S U M M A R Y

The subject is an alien; 48 years of age; Hebrew race; reads and writes Yiddish; has been married twice; first husband died in the United States and was a United States citizen. The children born of the first husband are all resident within the United States. Alien cannot recall the exact date of her second marriage to David Mondshein. It appears that shortly after her marriage, she went to live in Dominion City, Manitoba, Canada, and from there, she moved to the city of Winnipeg. While in Canada, three children were born to her by her second husband.

Alien states that her husband is a citizen of Canada, by naturalization, but has no proof of the same. She admits having been in the General Hospital in Winnipeg, and also in the Brandon Hospital for Mental Diseases, Brandon, Manitoba.

Upon being released from the hospital in 1922, she went to live with one, Mrs. Paulina Stein, 811 Winnipeg Avenue, Winnipeg, Manitoba; remaining there for some time, and then went to the home of her husband. A sister in Pittsburgh, Pa. corresponded with her and sent her money to pay her expenses to the United States. She was examined at our Winnipeg office on August 22, 1922, and admitted. She arrived in Pittsburgh in the latter part of August, 1922. Since that time, she has been working in various places, but never for any great length of time.

She has been a charge on the Irene Kaufmann Settlement for practically the past three months. She has committed acts of indiscretion, indicating that she was mentally unbalanced. She has no money wherewith to support herself, and due to her mental condition, is unable to keep a position for any length of time. Her husband is in Canada and her three children are in the Children's Home in Winnipeg.

In view of the fact that she has had one or more attacks of insanity previous to her entry, and that she has become a public charge since her entry, and that she was a person likely to become a public charge at the time of her entry, it is respectfully recommended that she be deported to Canada.

Copies of Form No. 527 are attached hereto.

IRENE KAUFMANN SETTLEMENT

Pittsburgh, Pa.

February 21, 1923.

Mr. M. F. O'Brien,
U. S. Department of Labor,
Immigration Service,
508 Grant St.,
Pittsburgh, Pa.

My dear Mr. O'Brien:

In confirmation of our conversation of February 9th,
I am herewith forwarding you details regarding Mrs. Jemie Moonshine:

January, 1923, Mrs. Moonshine applied to the Irene Kaufmann Settlement for legal aid. After talking with the woman at length, she appeared to be in an abnormal mental condition. We then proceeded to confer with relatives and other interested parties and they advised us that the woman was mentally unbalanced and physically ill. Due to her peculiar condition she refused to live with her sister, Mrs. Jacob Wesocky, 5817 Callowhill St., claiming that her sister insisted upon her doing housework and that her sister would not pay for services. This statement was proven untrue. At this time we wrote to the Brandon Hospital, Brandon, Manitoba, and received a reply from there, which reply we are attaching herewith. Mrs. Moonshine has during this entire period been wandering from place to place. During the month of February, we were obliged to house her at our Jewish House of Shelter 1525 Locust St. for a period of eight days. Her conduct here was lewd and of such character that it was impossible for her to remain at this place. For a few days she lived with a family on Fullerton St. and upon investigation at this home, we learned that she was out at all hours of the night and on one occasion brought a man to her room at about 2 A.M. At another place where Mrs. Moonshine lived she ransacked the house and we were again obliged to provide other lodging for her. At the present time Mrs. Moonshine is working at 541 Herron Ave.

I trust this report will be satisfactory. Thanking
you for your courtesy in the matter, we are,

Very truly yours,
